## An Afternoon on Health Care: Latest Trends and Developments

With the health care landscape rapidly changing, it is important for practitioners to stay up to date with the latest legal trends and developments.

This program is designed specifically for attorneys who represent both institutional and individual health care clients and must advise them on the latest health care developments.

Attendees will hear from the leading private practitioners in the area of health care as well as representatives from the Delaware Department of Justice. Topics for the program include:

Updates in the False Claims Act; Collateral Consequences of Health Care Prosecutions; Alternative Dispute Resolution in Health Care; and an ethics presentation, Ethics: Intersection of Health Care and Professional Responsibility.
