

## **ATTENTION ALL WIDENER 2L/3L RDs and 2L/3L/4L EDs!**

The Moe Levine Trial Advocacy Honor Society is hosting our annual Hugh B. Pearce Trial Advocacy Competition.

"Hugh B" is our spring competition and any non-1L students interested in trying their hand at a trial advocacy are encouraged to try out. Every year, numerous distinguished members of local bars serve as judges and this is fantastic opportunity to network and show some practicing attorneys what you can do in court! The competition is between teams on the Delaware campus, and then the winner on our campus will compete against Harrisburg's best team. The winners from Delaware will be recognized for their accomplishment and after we beat Harrisburg in the final, there will be a reception.

This year it will be a civil case and the final trial with Harrisburg is on our campus. Students can sign up individually, and be assigned a partner, or you can email Tyler Waad and let him know who you would like to partner with. All competitors must sign up no later than February 6<sup>th</sup>.

If you are interested in competing, please email Tyler Waad at [tylerwaad@gmail.com](mailto:tylerwaad@gmail.com) with your **name, year/division, partner preference, contact email, and phone number**. The schedule for trial rounds is included below and feel free to reach out to Tyler with any questions.
