

SUMMER 2015 INTERNSHIP POSITIONS IN THE ENVIRONMENTAL LAW CLINIC

Widener's Environmental and Natural Resources Law Clinic is now accepting applications for summer intern positions. The Clinic seeks to have 4 interns assist in handling pending and new Delaware Office matters during the summer break. Interns will work under the direct supervision of Clinic Director Prof. Kristl and Mid-Atlantic Environmental Law Center Fellow Hannah Leone on a variety of projects, which may include:

- * research and writing of legal memos dealing with issues in pending matters;
- * drafting client letters, briefs, motions, and other documents for use in pending matters;
- * updating and preparing new materials for the Clinic's pages on the Environmental Law Center's website
- * preparing for and attending client meetings, public hearings, and court hearings
- * responding to inquiries on the Widener Environmental Help Line.

Projects will be designed with individual experience and capacity in mind (i.e., we try hard to make sure you're not in over your head!)

Intern positions are available for Regular and Evening Division students who, by the time the internship starts, have completed at least 1 year here at Widener

This can be a great chance to gain real, practical experience in general and to check out the Environmental Clinic to see if it might be right for you to take for credit later in your law school career.

Requirements

Applicants must submit their resume and interview with the Clinic Director and Staff Attorney. Applicants accepted into the program must agree to do the following during the summer (May 31 – August 4):

- * stay in regular contact with the Clinic Director
- * meet reasonable deadlines set by the intern and Clinic Director
- * maintain confidentiality and comply with all applicable rules of professional conduct
